PETITIONING THE COURT

To issue a summons.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number	Nature of Noncompliance
------------------	-------------------------

1 **Special Condition #2:** You must abstain from the use of illegal controlled substances, and
must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but
no more than 6 tests per month, in order to confirm continued abstinence from these
substances.

Supporting Evidence: Mr. Rowe is allegedly in violation of special condition number 2, by testing positive for cocaine on February 26, and March 2, 2021.

On June 25, 2018, Mr. Rowe was given a copy of his judgment and his conditions of supervision were explained to him. He signed his judgment and informed this officer he understood his conditions.

On February 26, 2021, Mr. Rowe supplied a urine sample at Pioneer Human Services (PHS), which tested presumptive positive for cocaine. Mr. Rowe initially denied this use to PHS staff. On February 26, 2021, the undersigned officer made contact with Mr. Rowe and he self-disclosed cocaine use, on or about February 25, 2021.

On March 2, 2021, Mr. Rowe supplied another urinalysis at PHS which also tested presumptive positive for cocaine. He has denied any additional cocaine use since February 25, 2021, and reports this presumptive positive test result as residual drugs that were still in his system. The undersigned officer is awaiting the March 2, 2021, test results for further clarification.

2 **Special Condition #3:** You shall not enter into or remain in any establishment where alcohol is the primary item of sale. You shall abstain from alcohol and shall submit to urinalysis and Breathalyzer testing as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from this substance.

Supporting Evidence: Mr. Rowe was allegedly in violation of special condition number 3, by self-reporting the consumption of alcohol, on or about February 21, 2021.

On June 25, 2018, Mr. Rowe was given a copy of his judgment and his conditions of supervision were explained to him. He signed his judgment and informed this officer he understood his conditions.

On February 26, 2021, Mr. Rowe self-reported drinking alcohol on February 21, 2021. He has been reminded numerous times that alcohol use is a violation of his conditions of supervised release.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the offender to appear to answer to the allegation(s) contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
